

A STATEMENT FROM WORLD HORIZONS USA IN THE CHALLENGING CIRCUMSTANCES OF COVID-19

To all supporters and prayer-partners of World Horizons ministry taking the Good News of Jesus Christ to the nations:

We thank you for your deep care and concern for the health and safety of our staff, partners and those we serve. We especially appreciate your continued support as the pandemic continues to dominate global headlines. World Horizons leaders have been carefully monitoring information and guidelines regarding coronavirus (COVID 19) in the multiple locations where our members serve.

In order to do our part to “flatten the curve” and reduce the impact of this virus, World Horizons USA office is functioning remotely. However, we continue to maintain all operations necessary to serve our team members in the nations.

The leadership of both World Horizons International, and World Horizons USA is in close communication with our members around the world to determine how best to serve them. Some have traveled and observed appropriate quarantine in this season, however we continue to monitor the appropriateness of travel and field placement.

Despite the disruptions to daily life, we are grateful for the technology that enables us to maintain communication. Many of our teams are meeting in online conference in ways that they have not done before, encouraging one another, praying together, and sharing the stories of God’s faithfulness.

We are living through a challenging time but challenges in the economy of God’s Kingdom always present opportunities to His people. Please pray with us not only that our staff would know the protection and provision of the Lord at this time, but also that their life and daily witness would be an example to those around them leading to encounters with the Lord.

We would like to reassure financial partners that the US finance office is continuing to process donations and make regular grants to assist our staff in their ministries.

During this tumultuous moment, we invite you to pray with us that the Lord would continue to work through our team members to love their neighbors and lead them to Christ. We will be praying for you as well. You can reach us by contacting 804-225-5517 or emailing usinfo@worldhorizons.org

Thank you for your support and prayers.
